By

Latrese N. Carter

Stormy Adair Knight, a lovely, 26 year-old, African American, feels incomplete without a marriage to a loving, faithful, God-fearing man. It seems as if God has answered Stormy's prayers when she becomes reacquainted with Camden Brooks, her Pastor's son. Within the next several months, they become a couple and Stormy is elated when Camden proposes.

Ten months prior to the wedding, Stormy learns that Camden is cheating on her with another member of their church. After this revelation, Reverend Brooks, calls off the wedding, citing Camden's unfitness for marriage. But weeks later, Reverend Brooks informs Stormy that God has "delivered" Camden from the demons that made him unfit for marriage. Believing Reverend Brooks, Stormy agrees to give Camden another chance.

Once married, Stormy's life is in turmoil when she discovers Camden hasn't changed at all. He's still very much involved with the third party from their church and if that isn't enough, a scorned, ex-lover from Camden's resurfaces and begins to stalk them all.

Will Stormy and Camden's marriage survive the explosive episodes of scandal, lies and deceit or will they withstand the turmoil and live happily ever after?
